RE: Robust Summary Submission: Ethanol, 2-(hydroxymethylamino) -
(CAS# 34375-28-5); Troy Chemical Company Commitment: AR201-013

Dear Mr. Johnson:

On behalf of the Troy Chemical Company, I am pleased to submit the attached robust summary in Adobe Acrobat (pdf) format, for the following compound for which we submitted a commitment under the HPV Challenge Program:

- Ethanol, 2-(hydroxymethylamino) - (CAS# 34375-28-5)

While we had hoped to submit this sooner, we trust that the Agency will accept this somewhat late submission. Most of the studies relied upon in the HPV Challenge robust summary submission are discussed in the EPA RED. Based on all of the information available on this compound, we do not believe that any additional testing is needed.

Please do not hesitate to contact me if you have any questions or require additional information.

Sincerely,,

Sean McNear
Manager, Product Registration
